8. University Research Promotion Policy and Seed Money for Research

**Resolution**

8(a). University Research Promotion Policy —

The Chairman of the Board of Research apprised the Board that in the past, seed money for research projects has been sanctioned to the teachers of the MGUMST (list enclosed) since the year 2016 adopting the process as under —

- i. Submission of application by the applicant faculty member
- ii. Forwarding & recommending these applications by concerned Head of Department and Dean/Principal to the Registrar, MGUMST for onward submission to the President/Pro-President, MGUMST for consideration and approval
- iii. Sanction of seed money by President/Pro-President, MGUMST

**The Board noted and approved the mode of approval of the seed money by the Pro-President/President as mentioned above.**

The Chairman further apprised the members about the need of updation of the University Research Promotion Policy. He submitted that he has had discussions with the Deans, Senior Faculty members and other eminent advisors. They have suggested certain amendments including use of digital technology in research work. He explained to the Board about the suggestions.

The Board after due deliberations recommended to incorporate these suggestions and accept University Research Promotion Policy incorporating suggestion as per the deliberations (Annexure-4). The Board approved the University Research Promotion Policy carrying the updations. The Board also resolved that the Chairman, BOR if deems proper, may invite suggestions from other eminent researchers for further improvements in this Research Promotion Policy and he may incorporate these suggestions before submitting the updated Research Promotion Policy to the Academic Council for consideration.
